

- COURSE:** Emergency Vehicle Operations Course (EVOC II&III)  
**DATES:** March 8, 10, and 12, 2005  
**TIMES:** Week Nights 1700 to 2200  
Weekends 0800 to 1700 hours
- LOCATION:** Loudoun County Fire and Rescue Training Center
- REGISTRATION:** TDTR due by March 4, 2005 and must have a Chief Officers signature.
- PREREQUISITES:** Students should have some familiarity with driving the class vehicle they will be testing on. Students must have also completed a Loudoun County E.V.O.C. Pre-Course Student Driver Check off within their department.

**SPECIAL INFORMATION:** This 16 hour course is designed to inform the participant about driving techniques, braking techniques, vehicle maintenance, general vehicle operations, and Motor Vehicle Laws of Virginia as they apply to emergency vehicle operations. In addition to classroom lecture and a written test, this course will require participants to successfully complete a road test and driving obstacle course for certification. Participants must possess a valid driver's license and be at least 18 years of age. This program will provide certification up to S-3 level vehicles, which includes Service Vehicles, Ambulances, Pumpers, and Squads. Class size is limited to 25 students. Personnel wishing to attend this class will not be compensated for their time. In addition, personnel wishing to utilize leave must use their own personal leave (excluding sick leave) pending normal approval procedures or trade time. "Personnel wishing to attend this class will not be compensated for their time. In addition, personnel wishing to utilize leave must use their own personal leave (excluding sick leave) pending normal approval procedures, or trade time."
